**Late Entrant Provision**

We strongly encourage you to sign up for coverage when you are first eligible. If you sign up after this initial enrollment period, you will become a late entrant and will not be eligible to start receiving benefits until six months after you enroll.

**Domestic Partner**

California state law requires that coverage shall be provided to Registered Domestic Partners that is equal to, and subject to the same terms and conditions as, the coverage provided to a spouse. Registered Domestic Partner means a partner of the Insured as long as the partnership meets the requirements for such relationship as defined in Section 297 of the California Family Code or the functional equivalent registration of any other state or local jurisdiction.
