## Get into a 49er's game

PSEA members will be staffing a concession booth (beer, garlic fries, etc) for all games of this year's 49er football season at Candlestick Park.

After each game, PSEA will be raffling \$100

Cash to a lucky volunteer working that particular game. PSEA will

also be raffling a "Cruise for Two" at the end of the season to a lucky

PSEA Member. You must be a PSEA Member to win the end

of season raffle for the cruise, but we encourage you to bring friends

and family members with you as your

name will be entered every time you help and for each person you bring (example, if you volunteer to work 3 games and bring a friend to each, your name will be entered 6 times in the drawing).

To receive a sign-up form, e-mail [pseapromotions@pge.com](mailto:pseapromotions@pge.com) or contact the PSEA office @ (925) 246-6200.

## The New PSEA Website is up !

The new site has scored high marks from the initial test viewings and now from actual users. The design goal was to create a site that would provide interest, clarity, be easy to navigate and display a great extent of information and pictures. We think we have succeeded, but check it out for yourself! Simply go to the same address as before [www.PSEAFFF.com](http://www.PSEAFFF.com) or if you do not have the site bookmarked, you can use the new address [www.PSEA.info](http://www.PSEA.info). Either way, we are sure that you will find the new site much more fun and informative. (Note that the new site uses a new top level domain, which is .info as opposed to .com)

While certain pages of the site are still under construction and we apologize for that, it was decided to 'go live' so that our members could use and enjoy the many operational aspects. The design team plans to finish these pages shortly.

As you explore the new site you will find many new features and interesting pages. One area you will want to visit is the PSEA Camps section under the Activities tab. Superimposed on a map of California are pictures and locators for all seven of our camps. From here, you can survey each for features, layouts, cabin plans, directions with maps and points of local interest. In the works...but not yet ready...is a feature which you can use to check camp availability on line, and then place your specific request.

Another feature of the new site that we think you will find of interest is that this publication, PSEA & You will now be published online. This means that you will receive information immediately, as opposed to the 2-3 week delay inherent in the traditional printing and mailing process. For those members who wish to continue to receive

### Member Notice Board:

1. BOT Volleyball Tournament 9/19/04
2. Camp Work Parties Forming
3. NBA Tickets coming soon
4. Win A Cruise for Two

Refer to the PSEA website at [PSEA.info](http://PSEA.info) for complete information.

YES ! I would like to continue to receive a printed version of the PSEA & You by mail.
