

PSEA & You

PSEA Chairperson's Corner

It's September already and I am amazed at how fast this year is going by. There are many activities planned so check out our website to see what's in it for you www.psea.info. If you are not a member, now is the time to join PSEA. We're still offering free membership for active employees this year. With the great weather we've had, it's nice to see our members taking advantage of all that PSEA has to offer. We had over 700 members and family come to the San Francisco Giants game for only \$15.00. They also received a free tri-tip lunch courtesy of PSEA. Our 20th Annual PSEA Board of Trustees Beach Blast Volleyball Tournament was held in Santa Cruz. This event was jam packed with family, friendship and So Much Fun! Congratulations to the champions and all who participated. Our next PSEA 90th Anniversary event will be held October 20th and 21st at Discovery Kingdom (formerly Marine World). Check out the website, watch for fliers posted throughout the system, communicate with your local chapter and feel free to contact any PSEA Board of Trustee member. It's the best way of staying in touch. Everyone on the Board of Trustees is working hard to provide you with Family, Friendship and Fun! Our PSEA members are our most valuable asset. If you have any suggestions and/or concerns, please e-mail me at SRW5. In Good Health, Stay in Shape, Enjoy your Benefits and help us to bring new members in so that all can enjoy the fun that provides a lifetime of memories with PSEA. Make it a Safe day and let's make some wonderful memories along the way!
