

PSEA & You

Summer 2008 Retiree Members

Summer has just started and PSEA has hundreds of ways to enjoy every minute of it!

PSEA Chairperson's Corner

Deep summer is when laziness finds respectability.
~Sam Keen

And what better time to take advantage of what PSEA has to offer you and your family? When was the last time you visited a PSEA camp? For much less than you would spend at a hotel, you can enjoy the scenic surroundings of Pit River, Lake Britton, DeSabra Reservoir, Lake Almanor, Bass Lake and Monterey. With the many recent improvements, now is the perfect time to visit. You can get reservation information and even check availability at www.PSEA.info.

This is also a good time to check out your local events. PSEA Chapter volunteers are busy planning events in your area; which, with the price of gas, is where many of us may be spending our summers!

If you do plan to travel, don't forget about PSEA's discount ticket program, with discounts to Discovery Kingdom, Monterey Bay Aquarium, Disneyland and other Southern California attractions. Get your ticket order form at www.PSEA.info.

Karen Howard
Chairperson PSEA Board of Trustees

Enjoy your summer!

If you don't have time for a trip to our camps, then join the PSEA Golf Club! You can play on some of Northern California's premier courses nearly every week. Membership in the Golf Club is increasing and that keeps your costs low. If you're not ready to join the club, the Board of Trustees Golf Tournament on July 19, 2008 is open to any PSEA member!

If you prefer watching sports, don't forget that PSEA offers San Francisco Giant's tickets! No matter how you plan to have fun this summer, PSEA has great benefits for you and your family.

It's always nice to hear from our members!

Hi there. I wanted to say "thanks" to you (and others at PSEA) for a wonderful week at Lake Almanor...

The location is beautiful and the cabins and the grounds were clean. We enjoyed hiking Mt. Lassen, riding bikes on the nearby trail, fishing and canoeing on the lake, fishing in nearby streams, and boating (waterskiing, wakeboarding, and tubing) on the lake. We have used other PSEA cabins before, but it has been a while. The cabins are a great benefit and help to make lifelong family memories.

Thanks so much for the privilege of using these cabins. Even though they're somewhat rustic, they're great.

Thanks,
Greg Thwing

YOUR CAMPS

Sprucing up for the Summer & '09 Reservations!

Over the last 2 years we have invested a great deal of time, effort, and money in improving our camps.

Some of these you can easily see like new flooring at Del Monte and Almanor and new sturdy screen doors at nearly all camps and tree trimming at Wishon. Old broken stoves have been replaced and new ice makers have been installed. Other improvements you won't see, but they

will be noticeable... like new pipes, water heaters, water tanks and more.

Just a reminder that there will be a lottery for Camp Britton 2009 reservations. Each member will only be allowed one cabin and one week during peak season. Please give your 2nd and 3rd choices, just in case the first is taken. Requests are due in our office by October 1st, 2008. Complete the reservation form from our website at www.PSEA.info or just send an email to DMM0@pge.com. A deposit must accompany your request. We will also have a special drawing for the Motel and Cookhouse at Wishon Cove. This is also an October 1st deadline. All other 2009 camp requests can be made beginning October

1, 2008 on a first come, first serve basis. Full week reservations will be taken for the first Saturday in June to the last Saturday in August.

Keep an Eye out for your new PSEA Membership cards!

With nearly 22,000 members, we know there must be some updates to be made. New addresses or name changes can make it hard for us to find you if we don't know about them.

Please indicate your corrections on this form and fax to 925-246-6230 or mail to: PSEA 1390 Willow Pass Road, Suite 240, Concord, CA 94520.

Open Enrollment for VSP Vision and DeltaDental will begin August 1st and closes September 5th. Coverage will be effective October 1st.

It's a good time to review!

It's easy to forget, but it's very important to keep your Accidental Death and Dismemberment beneficiary information up to date. Changes in your life such as marital status, name, job status or new children mean that you should review and update your information with us. If you are a member of our AD&D plan, please take a few minutes to make sure that everyone you want to receive benefits will get them correctly. Please call Rosar Ewers at 925-246-6289 or send her an email to RSE1@pge.com to make sure your peace of mind stays that way.
