

PSEA & You

PSEA Chairperson's Corner

For over 92 years PG&E employees and retirees have enjoyed the many opportunities PSEA has provided. Our association is special because of the dedicated volunteers and PSEA employees who pull together to serve our members. Our organization provides numerous local activities to be enjoyed by the entire family. A family escape to one of the seven camps managed by PSEA is a great way to relax and enjoy a long tradition shared by thousands of our members. The system-wide Board of Trustees Athletic Tournaments afford great interaction among our members through fun recreational events like golf, softball, volleyball and bowling. PSEA also continues to sponsor events at Great America and Discovery Kingdom, fantastic opportunities for everyone from grandparents to small children to have fun together. PSEA is your employee association; take another look at

what we have to offer. Encourage the PG&E family spirit, stay involved, and above all, enjoy your summer with PSEA!

YOUR CAMPS

Preparing for Summer starts in the Winter!

Looking to improve your PSEA camp experience, we have begun annual safety inspections of every single cabin at every camp! While overall the camps were found to be in good

condition, this was the opportunity for Chairman Stockton and President Chadbourne to see for themselves what improvements could be made to make the camps even better.

They looked for electrical, structural and plumbing problems in every PSEA cabin to make your next stay more safe, enjoyable and above all, memorable.

President Doug Chadbourne and Chairman of the Board Neil Stockton inspect a very chilly Camp DeSabra in February.

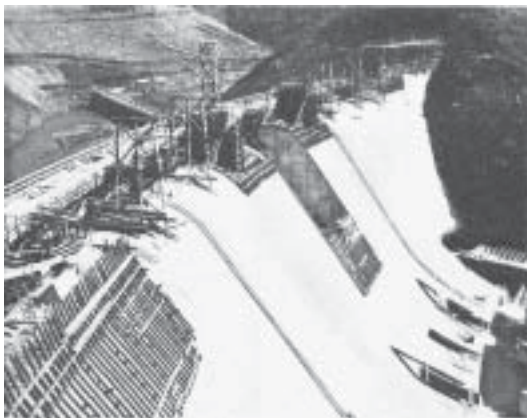

First come, first serve! Full week reservations will be taken for peak season (first Saturday of June until the last Saturday of August) with the exception of Camp Del Monte at which you can make partial reservations all Year.. Beginning May 1, 2009 we will begin accepting partial requests for all that is left during the season. Camp reservations for 2010 will be accepted on October 1, 2009... more details in our next issue!

Camp Pit Fisherman's Special!

The week of September 12 and September 19

If you would like to help with the opening or closing of camps, please consider helping with a Work Party. You may be asked to do some painting, deep cabin cleaning or raking. For a 3-day stay you will be asked to work 10 hours, a 5-day stay is 20 hours and a 7-day stay is 30 hours. You can split the hours with other workers you may bring with you. Your free stay is at the time you work. If you are interested, please contact Dena at (925) 246-6266.

Then & Now

Many of you may know that PG&E is planning to begin construction this year of a new powerhouse below the Pit#3 Dam. Those of you who've visited Camp Shasta know that crossing the dam means you're almost there! On the left is the dam under construction in 1924 from the April 1925 Pacific Service Magazine and on the right is Pit #3 as it appears 84 years later.
