

PSEA & You

PSEA Chairperson's Corner

In the beginning of this year I discussed how PSEA is special because of our dedicated volunteers and PSEA employees. They have been working hard to provide great events such as crab feeds, picnics, bus trips and children's events. It is great to see all of the happy faces at these events since PSEA provides the opportunity for our members to socialize in fun activities.

Your PSEA Board of Trustees put on a basketball tournament earlier this year and will be continuing the softball, volleyball, golf and bowling tournaments that have been so successful in the past. PSEA's athletic program is so exciting because it provides our many members the opportunity to compete against each other during the day and socialize in the evenings. If you have never enjoyed the competition of a PSEA athletic event, now is the time to get your team together for any of these great tournaments.

During the remainder of this year your local volunteers will be looking for members that are willing to help provide quality recreation and service. If you are interested in giving a helping
