## 2010 PACIFIC SERVICE EMPLOYEES ASSOCIATION SCHOLARSHIPS

The Pacific Service Employees Association seeks to provide scholarship opportunities to the dependents of Pacific Gas & Electric Company Employees who promote community involvement in the areas where they live.

It is important to note that scholarship recipients *must* use the scholarships in the year awarded due to institutional requirements and federal tax constraints. If you are chosen as a scholarship recipient, please arrange with your university/college to use your PG&E scholarship by the end of 2010.

All PG&E Scholarship awards are mailed directly to the student's college Financial Aid Office to be applied towards tuition and fees. We do not distribute scholarship awards directly to the student or to their family.
