

PSEA & You

PSEA Chairperson's Corner

Welcome to another year of Family, Friendship and Fun. Crab Feeds, Easter Egg Hunts, Raft trips, Picnics, or Volleyball? PSEA events remain fun activities that are continuing throughout 2010. Dedicated volunteers are organizing events for their fellow PSEA members to attend with their family and friends. System-wide Board of Trustees Athletic tournaments such as basketball, tennis and volleyball will be held again because members like being on teams, playing on the beach and having time to spend with their families. This year we have added a soccer tournament in Turlock. Events such as crab feeds, luncheons and PSEA days at Discovery Kingdom and Great America continue to be affordable fun. Bring your family or friends to an event or volunteer, and you'll meet new people and build friendships. For vacations look into our seven camps across Northern California, or our travel packages that save money through PSEA. As your Chairperson of the Board, I hope that you will plan to attend one of the PSEA events in your local area and be a part of the membership who is continuing the PSEA family spirit.
